# ScripTalk®

Introducing the New ST400 ScripTalk® Printer

En-Vision America is proud to introduce the ST400 ScripTalk Printer, which exceeds expectations of performance and dependability within our ScriptAbility Applications. This model replaces the discontinued 220-SN Printer.

Enhancements in the ST400 ScripTalk Printer include:

- *Touch Screen for Easy Use*
- *User-Friendly Navigation*
- *Easy LAN setup for Static IP Address*
- *Network Compatible*
- *Compatible with Current Printable 10K ScripTalk Labels*
- *Fully Government Tested in VA Pharmacy*
